appl a year and the present proposal is accordingly received. Attempts were made to see if a hand could be transferred to the Bench Court from the City Magistrate's Court but it was not found expedient to do so. An additional hand on Rs 15/- was therefore sanctd in May 1914.

5) From the figures furnished it will be seen that the no of cases in the Bench Court at Bangalore is steadily increasing - from 500 in 1912-13 to more than a thousand in 1914-15. The no of cases in the Bench Court at Mysore during the last yr was only 225 and that Court has ~~only~~ one clerk on Rs 25/-.

Increase from last yr's report

6) The ground urged for increasing the pay of the 1st clerk is that his position has become one of great responsibility on account of the change in the personnel of the Bench. This reason holds good in the case of the Mysore Court also and a similar increase of pay may have to be sanctd to the clerk at Mysore ~~also~~ in case the present proposal is sanctd in this respect.

7) As no source has been pointed out by the Dist: Magte for the extra cost involved by the proposals, viz', Rs 25/- per mensem, the proposals, if sanctd, will have to be given

proper comparison with the staff of the K.B.C. courts or that of the C.M. Station courts. In the case of the K.B.C. courts, the Magistrate exercises mainly 1st class powers, and the cases are therefore more difficult and complicated. As regards the case of the C.M. 15) The Bench Magistrate do not sit on all the days in the week. They generally sit for only 3 days in the week. It is thus possible for the two clerks to work fully on three days and for one of them also on the remaining 3 days.

There does not appear to be a very clear case for increasing the number of clerks. If, however, approved in consultation, the Bench Magistrate may be asked to renew his recommendation at the end of 1916, if the file continues to show an increase. Br II may also be consulted

Sir,

I have the honour to invite kind reference to correspondence ending with Government Order No. J.1026-30/ Cts. 336-12-2 dated the 22nd September 1913, regarding the increase of pay to the 1st clerk of the Bench Court Bangalore City and to state that the work of the Bench Court has enormously increased and it is found very difficult to cope with the work with the present scale of clerical establishment which consists of only 2 clerks of Rs.25/ and 15/- each. It will be seen from the figures given in the margin that the work of the court has been steadily increasing. This is partly owing to the additional powers with which the Bench is being invested from time to time.

No. of cases filed in	12-13	13-14	14-15
	500	901	1059

No. of cases in
July 14. 50
July 15.394

2. One other circumstance that should be taken into consideration in revising the scale is the periodical change made in the personnel of the Honorary Magistrates. The responsibility of the court is thus thrown to a great

great extent on the Head Clerk who is practically to control the proper working of the office and also be responsible for all money transactions of the court. Thus it has become necessary as has been already submitted by my predecesor in letter No. S 668 dated 2nd June 1913, to give to the court a Head Clerk having a decent salary. Hence his pay, I submit, should not be less than Rs. 30/-

3. Considering the heavy work, I am satisfied that two clerks are not at all sufficient for the court. During court days, one clerk should be deputed solely for attending the court work. For posting up the registers, preparing calendars, for issuing summons and for getting through other miscellaneous duties, one clerk is quite inadequate. I learn that the Bench Court in the Civil & Military Station, is given the marginally clerical establishment. I beg to propose that our Bench Court may be given the marginally noted clerical establishment which involves only an extra cost of Rs. 25/- per mensem over the present scale.

In the circumstances, I request that early sanction of Government may be obtained for my proposal.

SIR,

I have the honor to forward duly verified the proposition and the reappropriation statements received from the Deputy Commissioner, Bangalore, together with his letter No. S.113 dated 12th August 1915 proposing the revision of the establishment of the Bangalore City Bench Magistrate Court. The proposal is to enhance the pay of the 1st clerk from Rs. 25/- to Rs. 30/- and to appoint an additional clerk on Rs. 20/-. It involves an extra cost of Rs. 25/- per mensem or Rs. 300/- per annum. The source from which the cost should be met if the proposal is sanctioned during the current year is not pointed out.

The proposition under the Standing Orders of Government should have been submitted before 30th September, but the District Magistrate says that it was already submitted and that it was returned for submission through my office.
